25X1 1. On 14 May 1954, officers and soldiers who had boarded the train from Vienna were 25X1 picked up at the Goepfritz (0 49/R 64) railroad station by weapon carrier and truck drivers with red-bordered black epaulets. They included 2 majors wearing red-bordered black epaulets who had boarded the train in Klosterneuburg (0 49/S 30); 1 lieutenant colonel and 2 majors wearing red-bordered black epaulets and 1 major wearing black-bordered red epaulets who had boarded the train in Tulin (0 49/S 10); and 2 majors wearing red-bordered black epaulets who had boarded the train in Abendorf-Hippersdorf (0 49/S 01). A total of 13 flatcars and 8 boxcars were parked for the Soviets at Goepfritz. Three trucks all drivers with red-bordered black epaulets, were parked at the ration supply depot in the former factory building. Four two-axle railroad tank cars, which were guarded by a sentry wearing red-bordered black epaulets, were seen on the track running past the 25X1
